

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

I ALL SEE HIM'

From Asia to America and from New Zealand to the bottom of South Africa, we have been unknown, rejected, and refused.

No one turned to us in our misery to answer our pleading cry or our moans of agony. Nobody extended a hand of mercy and compassion to us until Almighty God, Himself, manifested His intentions for us.

We have received help from no one but the God. So we know that the rise to nationhood that the world sees in the Black people of America today is due to the Divine Desire and Power of Allah.

The Jesus is not the Church, it is the Body-Christ (the Nation of Islam).

DO NOT EXPECT A "MIRACLE"

In spite of what your religion has taught you, do not expect an unnatural "miracle" upon the Resurrection of Jesus. We know that religion is very important in the lives of the people. The minds and the actions of even those that do not profess religion have all been influenced by religion. Those people that never go to church are yet contained in a prison house of church doctrine and don't know it.

If you are looking for magicians or fairy tale miracles in this day and time, you will be disappointed. Almighty God is not going to send magicians to come before you and turn barrels of water into wine or to bring fire down from heaven.

5. "Nay," they say, " (these are) Medleys of dreams — Nay, He forged it! — Nay, He is (but) a poet! Let him then bring us A Sign like the ones That were sent to (Prophets) of old!"

بَلْ تَقَالُوهَا أَهْلَكَاةٌ
بَلْ أَتَاكُمْ مِنْ رَبِّكُمْ
بَلْ أَتَاكُمْ مِنْ رَبِّكُمْ
بَلْ أَتَاكُمْ مِنْ رَبِّكُمْ

6. (As to those) before them, Not one of the populations Which We destroyed believed: Will these believe?"

أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ

From the Holy Quran translation by Yusuf Ali, Sura XXI: Verses 5, 6

The greatest miracle ever performed by God and witnessed by man stands before your face today in the presence of the Nation of Islam. We perform the miracles attributed to the Prophets of Scripture. We raise the dead and give sight to the blind.

SIGHT FOR THE BLIND AND HEARING FOR THE DEAF

The Book says that Jesus also gave sight to a blind man. He talked of his teaching (the Word) having the power in itself to open the eyes of blind people. What kind of eye was being opened by the words of Jesus?

It is not the physical eyelids, but the eye of the moral character, the eye of the spiritual makeup, and the eye of the inward person. That is the eye that the Word of God wants to reach so that you can see Divine Truth.

The Book says that the Word has the power to open a deaf ear. Deafness in the Scripture is not referring to physical deafness, but spiritual deafness: you will not let your soul hear the word of righteousness and you will not let righteous ideas come into your mind.

You fear that if you let a righteous idea enter your mind and your soul that, because of its power, it will start working on you and open up your soul to righteousness. All sinners know that righteousness has power.

The Book says that you are deaf because you made yourself deaf and you are blind because you made yourself blind.

If you listen to what I say, and read what I write, you will have no excuse for deafness or blindness.

THE MANIFESTATION OF GOD'S PRESENCE

Today, all eyes can see Jesus as he is. For many years the people have awaited the final manifestation of the Scriptural prophecy of the coming of God.

I have been trying to open your blinded eyes to the reality of Jesus so that you can see him as he is and so that you can see your own true identity and mission as it is. Jesus was a manifestation in a long history of the manifestation of Divine on earth.

From the beginning, God has been preparing or growing the manifestation of His Presence into the view of the whole world. He begins things and then nourishes it to its completion: Quran.

If I look back to Adam's day, do I expect to see God in His fullness? No, He is coming. If I look back to Abraham's day, do I expect to see God in His fullness? No, He is coming. If I look back to Moses' day, do I expect to see God in His fullness? No, He is coming. If I look back to Jesus' day, do I expect to see God in His fullness? No, He is coming. If I look back to Prophet Muhammad's day (may the peace and blessings of Allah forever be upon him and all the righteous servants), would I expect to see God in His fullness? No, He is still coming. If I look around in this day and time to our day, do I expect to see God in His fullness? Yes, He is here!

ALMIGHTY GOD MAKES PROPHETS

There were things that Jesus couldn't say because it wasn't in his power and it wasn't in his time to say them. Today we have the power to say them and time is on our side.

Jesus never said that he was the greatest. He said that his Father was greater than he. The Father is the sender, the son is the sent. The Father is the giver of life, the son is the life that is given. The son is the redeemed out of the world, the Father is the redeemer.

Intelligent reasoning will prove to you that the two are not equal. Jesus was inferior to God. Who is superior to all.

59. The similitude of Jesus Before God is as that of Adam: He created him from dust, Then said to him, "He": And he was.

أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ

From the Holy Quran translation by Yusuf Ali, Sura III: Verse 59

Who is the Father that is so much greater and wiser than the son? He is the Father that is of infinite wisdom; a Father that is from beginning to end; a Father that is Creator. It takes the Father to bring a son and it takes the Wisdom and Power of the Father to perform a miracle.

The birth of every Prophet or Messenger of God is a miraculous birth because no power but Creator can bring about that birth: your father can't make you a Prophet; your mother can't make you a Prophet; and Holy Qurans can't make you a Prophet.

Only Almighty God, the Creator, has the power to turn on the light inside so that a man will come alive to the world without and to the world within and to the Scripture. When that happens, you have Prophet. God, Himself, made Jesus.

THE END OF THE JESUS AS A SIGN

There are no people in Judaism or Christianity that will pass away before Jesus himself, dies. We are talking about the real Jesus, not the sign or the symbol of something that was manifesting to be fulfilled. When the real Jesus is manifested fully, the idea of Jesus conceived by the old world

of knowledge will die.

The Jesus that this world takes to be real is only a sign. When the real Jesus comes, the sign will die in the minds of the people. As the New World of Knowledge comes in, it destroys the old knowledge of Jesus because the people have no more falsehood to feed on to sustain the false mental and spiritual image that has grown in their minds.

The Nation of Islam is feeding the peoples' minds with Truth of the True God to nourish them into righteousness and wisdom to fulfill the Scriptural promise of a New Heaven and a New Earth.

A NEW HEAVEN

The Book says that the heavens and the earth will pass away. What earth was Jesus desiring to pass away? The kindergarten language of the Church would have you think that it is the sun, moon, stars, and the physical earth that we live on. You live on and from the earth. So if this physical earth dies, your physical body will die.

Jesus was referring to the religious order of his day that was filled with nothing but hypocrites when he said "heaven": meaning they spoke down to the lower people as representatives in the heaven of God. When Jesus said that God was going to make a New Heaven he meant that God would take the religious rule from those hypocrites.

He will make a new earth and bring heaven down to the low (ignorant) people (people that have been deprived by those who ruled over them). He will bring heaven from above and place it in the hands of the people that were below. All Praise is due to Allah.

I GIVE YOU MANIFEST PROOF

What I teach you is not left in doubt. I give you Manifest Proof from the Wisdom of Divine Mind.

But nothing is proof to a disbelieving devil. If a person is just committed to do evil and has made up his mind or her mind to live that way, nothing is going to change them.

The Book says that if you brought heaven out of the sky to them they would still disbelieve. So if you don't believe, no "miracle" will make you believe. The miracle is God's Wisdom. His Wisdom is superior to any light that you have in this world.

If the Wisdom of God does not make you believe, God will not give you anything else.

109. They swear their strongest Oaths by god that if A (special) Sign came To them, by it they would Believe. Say: "Certainly (All) Signs are in the power Of God: but what He Wishes you (Muslims) To understand is That (even) if a (special) Sign Comes, they will not believe."

أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ

110. We (too) shall turn To (confusion) their hearts And their eyes, as they Refused to believe In the first instance: We shall leave them In their trespasses, To wander in distraction

أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ
أَمْ أَمَّا الْكَاذِبِينَ

From the Holy Quran translation by Yusuf Ali, Sura VI: Verses 109, 110

Brothers and Sisters, either you want Truth or you don't want it. Allah has put Me here for those who want Truth. I will do the work He has given Me to do because it is not My work, it is God's work.

If it were My work, I would do it according to your response. But since it is Allah's work, I will do it in spite of your response.

Thank you for honoring us with your time to read these few words.
