

# What Islam Has Done For Me

## To the wives and husbands who are being deceived

Min. Edwin X Taylor  
(Peoria, Ill.)

TO ALL of the wives of the Black brothers that are now believers of the teachings of 6,000 years ago by the Devils, (white race) of Self-Hate and now these Black, brothers have fallen to Hypocrisy and killers of self and kind for the joy of the devil, (white race) and to the doom of their Black self.

These self and kind hating Black husbands of yours, lied to you and said that their evil acts are to help the Hon. Elijah Muhammad to get rid of people just like them, themselves in the Temple. But without the approval of our Leader, the Hon. Elijah Muhammad of whom they say they are followers of; Holy Quran, Verse 71 of Chapter 9, "And the believers, men and women are friends one of another.

They enjoin good and forbid evil and keep up prayer and pay the poor-rate, and obey Allah and His Messenger.

As for these, Allah will have mercy on them. "Surely Allah is Mighty, Wise."

They want you to believe that they are not killers of self and kind, but that they align themselves with other known haters of Muslims and attend meetings where they plan to take guns of the white man and kill their Black brothers in the Temple, while they tell you they believe lies of the white man and his policeman. Saying that we the Muslims have guns and want to kill them and they look for you to believe these lies because you are their wives.

Some of the wives have been in the Temple all of their lives and have never known the Muslims to carry guns or try to kill anyone who walks away from the Temple, not even the great hypocrite (Malcolm X Little). For Allah is sufficient. They are evil and as all evil people they do not like to be evil alone.

Holy Quran Verse 74 Chapter 9, "They swear by Allah that they said nothing and certainly they did speak the word of disbelief, and disbelieved after their Islam, and they purposed that which they could not attain. And they sought revenge only because Allah as well as His Messenger had enriched them out of His grace.

So if they repent, it will be good for them; and if they turn away, Allah will chastise them with a painful chastisement in this world and the hereafter;

and they shall have in the earth neither friend nor a helper." You should run or better fly away from them to Allah and His Messenger, the Most Hon. Elijah Muhammad, before it is too late, and clear yourself from them.

They are going to be the losers for "Allah is not Marked" nor will Allah let you hurt his Last Messenger or the works of his Messenger, Holy Quran Verse

67, Chapter 5; "O Messenger, deliver that which has been revealed to thee from thy Lord; and if thou do (it) not, thou hast not delivered His Message. And Allah will protect thee from Men. Surely Allah guides not the disbelieving people."

The Hon. Elijah Muhammad tells you that the devil, the white race was punished for 2,000 years in the caves of

Europe 6,000 years ago for telling lies and causing the Righteous to kill each other. It is the same today. Holy Quran, Chapter 9, Verse 68: "Allah promises the hypocrites, men and women and the disbelievers the fire of hell to abide therein. It is enough for them. And Allah curse them, and for them is a lasting chastisement." Holy Quran Chapter 8, Verse 65 & 66;

Muslims to meet Overwhelming numbers, Verse 65; "O Prophet, urge the believers to fight. If they be of you twenty steadfast, they shall overcome two hundred; and if there be of you a hundred, they shall overcome a thousand of those who disbelieve, because they are people who do not understand."

## Student of Muhammad Meets The Devil

By David Pasha,  
Attorney at Law, Minister,  
Muhammad's Temple No. 5,  
Cincinnati, Ohio

WHEN WE the believers consider some concrete ways that the observance of the Restricted Law which our Beloved Leader and Teacher has taught us of, and placed us under, a decent respect of the wondrous works of this God-made ruler of Nations that we are blessed to have as a guide before us, dictates that we study how to obey the will of Allah as Messenger Muhammad makes it clear to us.

As He has repeatedly warned us, we are honey-combed with hypocrites and disbelievers and as we are not wise enough as individuals to spot them before they manifest themselves in some evil deeds or words, we then must, and should be happy to, rely in unity on the divine rules and regulations of Islam to protect us individually as believers and collectively as a Temple and/or nation of groups of Temples united for the common cause of righteous obedience to, and achievement under, the leadership of The Honorable Elijah Muhammad.

One particular tenet of this perfect set of statutes is "Report all slackness, weakness and wrongdoings." This rule gives us an excellent example of how the Supreme Wisdom of God's right-hand man will protect us when we obey it. On the other hand, if we depend on our own intelligence and reasoning ability, we could be exposed to individual and national danger.

Our open enemy, and former ruler, the white race, has put a stigma on truthfulness and reporting to superiors. From childhood up, we were made to feel ashamed and were ostracized if we reported wrongdoing. In the devil's world the terms "stoop nose" "tattle-tell" "do-

gooder." "blabber mouth," etc. have caused us to be leery of the principles of action to which the aforementioned divine tenet of Muhammad's Restricted Law commands us.

THE PRACTICE of reporting properly as this regulation requires belongs, by nature, to

all members of the Black family of the Planet Earth. It also serves, many times, to manifest to wiser eyes than ours, bits of a jig-saw puzzle, so to speak, which—when pieced together in the correct perspective with other bits of information — produces a picture of the enemy within

and so serves to protect the Nation.

The observance of the duty to report all slackness, weakness and wrongdoing along with the other tenets of the Restricted Law is — all praise is due to Allah for The Honorable Elijah Muhammad — most surely our success.

## Islam restores the prisoners' manhood

By Dilbert X (McSwain)  
Holman Unit Prison  
Atmore, Alabama

The inmate in the Alabama Penal System, that accept Islam, does all that he possibly can to rehabilitate himself in a penal system that is not designed to rehabilitate the inmate. In his acceptance of Islam, he has bettered his conditions.

IN ISLAM, we teach the people who their God is, who their enemies are, and how to love themselves. We are not like many of the so-called Negro organizations that are sprouting up all over the country today. Most of these so-called Negro organizations are not designed for peace. Their sole purpose is to cause corruption in a country that is full of corruption.

We, the Muslims, teach peace. We don't have time to teach anything except peace. In this day and time when it is all over, the only thing that will be left is the peace and the righteousness. When a man stands up for these things, it is a shame the way the people turn their backs on him.

The only link that an inmate has to the outside world is through his people (relatives and friends). If that link should happen to fall out of the chain, then he is lost and without support. Why is it that when a man accepts Islam in the penitentiary, his people quit writing and visiting him? Why is it that when a man stands up, says and proves that he is the man that he says he is

everyone turns their backs on him? Finally, why is it that when a man refuses to be used as a tool by the white man or his own Black brothers and will not become a sexual outlet for the vast majority of the inmate population, his own relatives and so-called friends forget that he is alive? This is a shame before God.

IT HAS BEEN 416 years since the Black man's eyes have been opened and the only thing that opened his eyes was Islam. I don't think the majority of the Black population has a thorough knowledge of what Islam is and what Islam is doing for the Black Man in America. Islam has elevated the Black Man so that he is no longer the boot-licking Negro of 40 years ago. Islam has dignified the Black Man so that he can stand up and say, "I AM A MAN."

Since the inmates have accepted Islam, they are a

different people. They are no longer the savages that they use to be. They are the civilized people of the planet earth. They are the ones who will stand up and willingly give their life for what they believe in. In plainer words, they are MEN. There are very few inmates who can say they are men. For 98% of the inmate population are homosexuals or deal in some form of abnormal sex activity. The remaining 2% are the believers in the teachings of Almighty God Allah as revealed to His Last and Greatest Apostle, The Honorable Elijah Muhammad. Are they not worthy of the title, MEN? It takes a man to stand up under these conditions. There are very few men left in this world today. Any of you who have relatives or friends in penal institutions such as the Holman Unit in Atmore, Alabama, should be proud of them.
