

# CALAMI

*(This article is reprinted by popular request from the Aug. 22, 1969 issue of Muhammad Speaks)*

THE TITLE of this article is taken from the Holy Qur'an, Ch. 101:1-4.

1. The calamity!
2. What is the calamity?
3. And what will make thee know how terrible is the calamity?"

IN the English language, according to WEBSTER'S DICTIONARY, the word calamity means, "a state of deep distress or misery caused by major misfortune or loss, or a great event marked by great loss and lasting distress and affliction."

SUCH calamity is now prevailing in America. It is getting worse daily.

THE third verse of this Chapter (Holy Qur'an 101:3) asks a question: "And what will make thee know how terrible is the calamity?" The answer is given in verse four:

4. "The day wherein men will be as scattered moths,"

WE do not have to ask anyone whether or not this warning of the Holy Qur'an is now being fulfilled. We see the fulfillment of this prophesy with our eyes and hear with our ear, these great calamities that are now striking America. We see the great amount of raping and murder of girls and women. There is great robbery and thieving going on every hour of the day and night.

THERE are great storms and adverse weather conditions. There are minor earth tremors and hailstorms. There are signs and wonders of signs being displayed in the heavens, in the earth and on sea and land. There is unusual love or dislike of children by mother and fathers and the destruction of the process of childbirth. There is the great calamity of starvation and great destruction of health and of lives by the use and administering of poison drugs, which is practiced upon those who are free and those who are bound.

WHAT has been known as America, is threatened today, with total

destruction. America is destroying herself, in her effort to destroy her Black slave. The water and air of America is being polluted by chemico - bacteriologists.

AMERICA'S scientists of war conduct dreadful experiments on how best to kill human beings by the millions and wipe out the life of whole continents.

THESE are the days of fulfillment of prophesy of not one, but of many calamities. But in all of these preparations of the destruction of human life, by the devil, ...Allah (God) too, has plans to save His people.

ALLAH (God) has claim over the Black slave, as being His people and the white slave - holder is angry because of the loss of the Black slave by virtue of this claim.

ALLAH (God) Comes to take the Black slave away from the enemy white slave-holder and join the Black slave onto his own kind again. The enemy white slave - holder hates this, but Allah (God) has the Power to force the enemy white slave - holder to
