

THE DOLLAR!

overpopulated countries such as China, Japan, and other European states to seek citizenship in America.

This brought America into one of the most mixed people, who were granted the freedom to live any kind of life they chose. They were not forced to serve the God of the universe who made heaven and earth, nor any religion. They had freedom of worship. This made America a haven for any people who wished to be free of the compellments of religious and just rule and authority. This people for the past 500 years has put into practice every evil that is imaginable.

The freedom of uncleanness is granted and is worshipped. The percentage of sexual worship of the same sex is greater than any government on the face of the earth. Little children are being taught sex almost from the cradle, making the whole nation as one man put it: nearly 90 per cent freaks of nature.

It is common to see on the streets of any metropolitan city of America men sweet-hearting with men, and women sweethearting with women. Little boys with boys and little girls with girls.

It is so common that a decent family is puzzled as to where to send their children for schooling. There are no all girl schools as there once were. They are all girl schools of sweathearts. The same sex falling upon their own. Boys colleges are breeding such filthy practice; the jail houses, prisons, and the Federal Penitentiaries are all breeding dens of homosexuals.

As the Prophet says in the 18th chapter: "She is a cage of every unclean and hateful bird." There are types of hateful birds. This is why a symbolical name is given. It means human beings. There are birds of prey and birds that are

unclean such as crows, owls, buzzards and ravens who live and thrive off the carcass of others. And there are unclean people living and thriving off the unclean.

It is time that God intervenes to bring about an end of such people as the wicked of America. She offers the same filth to all of the civilized of the earth, and she hates you if you are against her way of life. And will threaten you with death, as the Sodomites did Lot and his followers. But I say to you as the 4th verse of Chapter 18 says: You that want to be a better people than this, "come out of her."

The so-called American Negroes are referred to here in the 4th verse as being God's people "My people come out of her that ye be not partakers of her sins and that you receive not of her plagues."

This is a call to the American so-called Negroes to give up a doomed, wicked people that has destroyed them from being a people worthy of recognition, and who have now become lovers of their enemies and destroyers.

The 5th verse tells us that "Her sins have reached into heaven and God has remembered her iniquities and is ready to destroy her. Her destruction cometh quickly, according to the 8th verse, that plagues of death, mourning and famines which cometh in one day (one year) then after that she shall be destroyed by fire, utterly burned."

This is backed up in these words: "Strong is the Lord God who judge her." Here it gives us a knowledge that He who judges is well able with power, with wisdom, and with deliberate and careful maneuvering at judgment against her.

GROSS ERROR

EDITOR'S NOTE: An article on the Black Panthers appeared in last week's issue of MUHAMMAD SPEAKS. (M.S., March 16, 1973). It was unthinking of me to publish this article. It was brought to my attention, after publication, that the Panthers have never relented in their public disdain of the Messenger's program and the Muslims' progress, despite their so-called attempt to create a new, de-fanged public image. The publication of this article was my fault, not the reporter's, under whose by-line the story appeared. I take full responsibility for this gross mistake, and any other articles, which might have embarrassed the Honorable Elijah Muhammad and the Nation of Islam. This must never occur again.
