"Dedicated to Freedom, Justice, and Equality for the so-called
Negro. The Earth Belongs to Allah."

Muhammad in Jamaica

The teachings of the Honorable Elijah Muhammad, the Messenger of Allah, were articulated beautifully on this Caribbean island recently by Minister Jam Muhammad, brother of the Messenger, as he addressed a capacity crowd.

Minister Muhammad was introduced by Minister Eugene X, minister of Muhammad's Temple in Kingston, who himself is a powerful speaker on the subject of the Last Messenger of Allah, and was received with enthusiasm and warmth by a capacity crowd.

Minister Muhammad's subjects were concerned with unity for the Black man, oneness with Allah, and the history of the Caucasian.

During the minister's delivery, many bursts of applause were heard from the Black-starved audience and many shouts of approval bore witness that the teachings of Messenger Muhammad are welcomed wherever the Black man is found.

More than 80 persons accepted Islam after hearing Minister Muhammad's roaring message.

Minister Eugene said this tremendous reaction was proof that "the most Honorable Elijah Muhammad is very much loved in Jamaica. Once again it has been shown," he said, "that every Black, man, woman and child all over the world would be receptive to the life-sustaining teachings of the Messenger if they could be reached."

A large number of F.O.I. and M.G.T. were on hand to greet the brother of Messenger Muhammad, and Minister Muhammad was asked to return the Greetings to our Dear Holy Apostle.

Minister Muhammad was asked to make a return trip to Jamaica with more teachings and wisdom as soon as possible.

The great and overwhelming response that greeted Minister Muhammad only bears witness, that the wisdom, knowledge and understanding of the Honorable Elijah Muhammad is indeed unlimited and that it issues from Almighty God Allah, who came in the Person of Master Fard Muhammad to whom all Holy Praises are due.

WARNING

To you Innocent People who willingly give your money to strangers soliciting money for hospitals and other drives that we have.

Your money falls into the hands of enemies and hypocrites that take your cash money and use it for themselves. So I think you should be careful about who you give your money to.

Some of them will make out false cards — pay no attention to it because we have not made out any cards to give to the public. Don't give your money like that.

Go to the Temple (the nearby Temple of ours) and give your money to the secretary there and get a receipt from him or her.

Elijah Muhammad,
Messenger of Allah

The only news for Black people today

By Minister George 4X
Temple No. 46

Some so-called Black activists have recently questioned as to why **Muhammad Speaks** has of late not contained more "news." They refer to reportage of the various things happening to Black people and activities engaged in by Black people. There is a trite saying in journalism that "when a dog bites a man, that's not news; but when a man bites a dog, it is news."

Outside of the Nation of Islam and the activities of its members under the leadership of the Honorable Elijah Muhammad, everything else that Black people are engaged in is old and non-productive toward freedom, justice, and equality or liberation as it is popular now to say.

Some Black intellectuals have discovered Marxism-Leninism—the philosophy expounded by the 19th century middle class Jew and advocated by the Russian V.I. Lenin during and after the Russian Revolution of 1917. But that is not new—Black intellectuals tried that doctrine in the 20's, 30's, 40's, 50's, and 60's and found it an unfruitful guide for Black

people in America.

White people have permitted some 2,981 Blacks to be elected to various political offices, and now there is a great push to put more Blacks into office. But it is forgotten that during Reconstruction there were Blacks in Congress and in several Southern legislatures as well as governor's offices, but that did not free the Black man.

Now, also, there is an attempt to renew the infamous campaign of forcing white people to employ, live next to, go to school with, and marry Blacks—with the renewal of the Civil Rights Movement. Some have also discovered Pan-Africanism that Blacks originated in the early part of the century. Blacks in Africa are still not free and the attempts by Blacks in America to vicariously engage in the African struggle while ignoring the true program in America will do them no good.

So, why should not **Muhammad Speaks** write of the works of the Honorable Elijah Muhammad to employ, feed, clothe, educate, shelter, reform, and liberate Black people. That is news because no one else has, is or shows any potential to do it in the future.

Great love for the Messenger

By Willie Mae Muhammad
Neice of Messenger Muhammad

In the Name of Allah, the all-wise true and living God, who came in person of Master Fard Muhammad, whom we forever thank for the Divine leader and teacher we have in the Honorable Muhammad. He is the most loving man in the whole world! The Messenger of Allah has worked so hard for the Black man and woman for 43 years.

You know He is a God-sent Messenger. He loves us, don't we love Him? Yes, we do, so lets show Him we do! It is time that we do something for Him. A JET! A JET! All Praises are due to Allah for this golden opportunity to do something for our Divine leader.

He has opened our eyes to see our ears to hear and given us the knowledge of our Black selves.

Messenger Elijah Muhammad is raising up a Nation. The Black man and woman will obey. Come to Islam! Help Him if you love Him. He should have had a jet long ago for His work.

He works night and day for us; sick or well. All Praises are due to Allah for the Honorable Elijah Muhammad, the greatest man that the world has ever known. He can change a man to be a man, and a woman to be the best, if you obey Him, and pray to Allah for guidance and understanding.

As the Messenger says, we are living in the Last Days and the worst is yet to come. The Messenger knows just what He is saying. You see how the white mans' United States is falling apart! Just look at the White House — and look at the Nation of Islam. We are rising! All Praises are due to Allah for loving we, the Lost Pounds, so dearly that He gave us a Divine Messenger: the last and greatest.

We are a blessed people. He is teaching ministers all over the world from the words that Allah taught Him. If they take it and teach Islam, we will get on top as He says, overnight. But Allah taught only One and that One is the Honorable Elijah Muhammad. Let's get that JET for Him!

A-Salaam-Alaikum
