Sura 50: Qaf (The Resurrection)

Do they not look at the sky
above them? – how We have
made it and adorned it and it has
no gaps. And the earth, We have
spread it out, and cast therein
mountains, and We have made to
grow therein of every beautiful
kind – To give sight and as a
reminder to every servant who
turns (to Allah).

Allahu Akbar!
God is the Greatest!
