

The Significance of

By Elijah Muhammad
(Messenger of Allah)

AS I SAID AT THE CLOSE of the article on the MOON which appeared in last week's issue of MUHAMMAD SPEAKS NEWSPAPER, I want you to study and understand the comparison between the nature of our moon today, and its history dating as far back as, 66 trillion years.

STUDY AND COMPARE OUR HISTORY AND THAT OF THE MOON. We, the Black Man of America the Aboriginal Black Nation of the heavens and the earth fell from our native home (Africa) and people.

THE MOON FELL through an explosion which blasted her away from this part (earth) because of this, she lost her life (water). But it fell upon us (earth) again. We still hold that life and the dead piece of earth (moon) asks for her life (water) that she lost.

ALTHOUGH SHE IS NEARLY one-quarter million miles from us she is still one of us. She was created at the same time that we were created. She still shows us in her rotation around the live part (earth) that she belongs to us, but she is without life (water). But, it was an enemy of us, who did this work of detonation.

SO IT WAS WITH THE EVIL WHITE SLAVE-TRADERS, guided by John Hawkins, the explorer, to come among us and take us by force and bring us to this part of our earth among strangers whom our fathers knew not.

IN SO DOING THEY MADE US to lose all knowledge of our self and our kind, like this man or god Who in His frenzy to try to force all the people to believe as he believed and to speak the same language with no difference in dialect, caused the deportation of the moon from the earth.

SO IT IS WITH OUR ENEMY TODAY. He wants

us all to kneel and bow to his way of life and if he cannot get us to do so he wants to be rid of us and our earth.

PERCHING HIMSELF ON THE MOON would give him a vantage point to attack those who would come outside of the gravity of the earth to attack him. He could send rockets speeding from the moon, the same as he is putting his trickology to work against us among the dead of our kind. He sits among them and listens to what they have to say. He weighs their knowledge of the truth and their lack of knowledge of themselves, him and their God. Then he can work among the dead (spiritually dead) of our people to sow insinuation and hatred of each other to his advantage. He divides the Black people against each other so that he can take those who are ignorant and misunderstanding and dried of knowledge of self.

THE SYMBOLIC PICTURE OF DRY BONES that Ezekiel prophesies of (Bible Ez. 37) also bears witness to the above comparison of the moon and the fall of our people from our own. The bones were very dry and they were divided one against the other, but the call of the prophet went out "Hear the Words of the Lord and live." They united, but they had no life in them. The Spirit of Life had to be breathed into them. This Spirit of Life means the knowledge of self and others. After the Spirit of Life was breathed into them there was a great host of people (army). This is what is now coming into reality among the so-called American Negroes.

WE HAVE BEEN HERE FOR 400 years and all during this time we have been the tools for an experiment on the part of the white-slave master and his children. Now, being without knowledge of ourselves and totally devoid of the truth, we have been clinging to our enemies who have robbed us of the knowledge of our life as the moon still clings to the earth as the earth still has her life (water). She cannot get away

from it until life (water) is again poured upon her surface.

SO IT IS WITH THE SO-CALLED AMERICAN NEGRO. He cannot leave the white man until he is made wise to the white man and learns that he is an enemy and that his father brought him (Black Man) from his people, imprisoned him and taught him the wrong teachings. He whipped and beat the so-called Negro into submission and divided the families as soon as the baby was born. The baby was not allowed to be reared by the mother. They sold it to their brothers so that he would not love his mother and father and have no knowledge of them. This went on for centuries. Therefore today, the so-called Negro does not have much love for self and kind because the white slave-master reared them up, divided. One slave-master reared the children and one slave-master reared the parents making them to come up without the tender love of father and son and mother and daughter.

THIS IS WHY IT IS SO HARD TO unite the black man. An enemy reared him up against himself. **PITYFUL POOR BLACK MAN,** who is blind and lost to the knowledge of self. Bible Is. 42:22 "But this is a people robbed and spoiled; they are all of them snared in holes, and they are hid in prison houses; they are for a prey, and none delivereth; for a spoil, and none saith, Restore." This is the truth. Nothing suits the white man better than putting the so-called Negro in jail or shooting them outright. He is now spoiled by the enemy's teaching and feels proud of it because he does not know his enemy nor himself. He takes his enemy for a friend. This is the great harm done to the so-called Negro by white people. **POOR BLACK MAN.**

HE CRIES OUT NOW for the knowledge of himself like the moon keeps clinging to the earth's sphere of gravity because the earth has its (moon's) water on it.

"And We Made The Son Of Mary And His On A Lofty Ground Having

By Elijah Muhammad
(Messenger of Allah)

IF THE BIBLE STUDENTS would have taken this 50th verse of the 23rd Chapter of the Holy Quran, under study together with the birth, ministry and death of Jesus, as given in the Bible, Matt., Mark, Luke and John, they would agree that the man, Jesus, 2,000 years ago and his mother were a sign of something to come.

BUT THE PREACHERS OF CHRISTIANITY have always been overly anxious to put some fancy myth (other than the truth) around Jesus' birth, ministry and death, 2,000 years ago, to the extent that the Catholics make monuments of an imaginary Mary and her son, Jesus, and bow down and worship their handmade statues.

THE CHRISTIANS HAVE NO TRUE pictures of Jesus and his mother, Mary, in their possession, so they use imagery and the ignorant take it for truth.

THE SON OF MARY AND HIS MOTHER A SIGN. Let us see if we can direct the sign and find something that corresponds with her son's birth and the hostile attitude of the Jews against the prosperity and future of these two people.

WHY WAS THE GOVERNMENT, at that time, against the birth of Jesus and his freedom to live as other men? The Bible, Matt. 2:8, teaches that on his birth, when Herod heard of it he sent spies to ascertain the truth of the news that Mary had given birth to a child called Jesus. He told them to bring word to him that he may go and worship him. But by no means did he intend to give a true worship and recognition of Mary's son, Jesus. He desired death for the son because he had read the Torah and in it is a prophecy of the Coming and Birth of a Ruler; who would be King of the Jews. He felt that his authorities and rule would be threatened and brought to a naught if this was the baby prophesied of.

TAKE THIS ANGER AND DISLIKE on the part of the beast that seeks to destroy the child of a woman, Bible, Rev. 12:4, "... and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born." If Mary and her son are a sign, or an example, of that which is to come, then whose birth and enslavement

could correspond with these prophecies and signs any more than we, the American So-Called Negroes' history here under the white man?

OUR GOD IS NURSING US INTO THE KNOWLEDGE of our Black self, as a mother nurses her babies from a nursing bottle or from her breasts. The angry enemy watches the growth of the children whom God Has Chosen to build for Himself a kingdom. The enemy becomes angrier and angrier as the American so-called Negro (the Lost-Found Members of the Aboriginal Nation) grow into the knowledge of self, our God and our True Religion, Islam (Entire submission to the Will of God).

IN THE BIBLE, THE BOOK OF REVELATION gives a symbolic picture of the story of Mary and her son, Jesus, which is recounted in the 1st Chapter of Matt., but nevertheless, if understood, it is easy to see that Mary and her son were a sign of the American so-called Negro, coming in the future. He would have a worse enemy against him; one who has the nature of a beast.

AS HEROD DID, the enemy admires the so-called Negro, but at the same time he hopes to trick the Negro to go down with him to his doom. As it is prophesied, Bible Rev. 19:20, actually the beast did deceive the people.

THE PROPHETS SAY, that the slave being deceived worshipped the mark of the slave-master (his religion and name). There are many of our people today who hope to be dignified and respected by worshipping the cross and by going in the slave-master's name.

THIS WORSHIP CALLED CHRISTIANITY and the names of the white slavemaster dooms Black Americans to an eternal death in the fire of hell. This fire of hell will be kindled from the atmosphere and sun over America. This is the only part of the earth of which it is prophesied that God would turn it into a Lake of Fire; not the whole earth. The reason it is called a lake is because a lake is confined to a certain area. A lake is inland surrounded by land.

THE FLEEING OF MARY WITH HER SON TO EGYPT and Joseph's aiding her to make haste to Egypt, Bible Matt. 2:13, is a beautiful sign of the so-called American Negro fleeing out of America to

the open arms of the Muslim world.

THE KING, HEROD, desired most of all to kill Jesus in his infancy. Bible, Rev. 12:4 tells us that the dragon stood before the woman. The woman here represents the Messenger of God. The child represents the followers of the Messenger.

In the Bible, Rev. 14:1, we find the Lamb (Messenger of Allah, God) standing on the mount Zion (foreign shore); with him was an hundred and forty and four thousand (his followers who had escaped from the anger of the beast).

THE AVERAGE SO-CALLED NEGRO PREACHER has always believed this was referring to Jesus the son of Mary. But this is due to his lack of knowledge of the Bible story of Jesus. Jesus, as I have said and written was only a prophet. He is not what the average so-called Negro is made to believe from the surface teachings of the Bible. They have been taught that Jesus is some kind of mysterious

The Honor

By Sister Margary Hassain

BIBLE, Ec. 3:1-3 "... **TO EVERY THING THERE IS A SEASON,** and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up."

WE, THE BLACK NATION, (so-called Negroes) in the wilderness—of North America, are the most blessed people upon the face of the earth today. The blessing which Allah (God), Master Fard Muhammad, to Whom Praises are due forever, has brought to us is so great, that to fully understand it and appreciate it, we would have to be able to see the history of the peoples before us and those yet to be born. He opened our blind eyes, or deaf ears and dumb mouths, so let us begin to use these priceless gifts so that we can recognize, heed, praise, and Praise Much him who is most Worthy of Praise among us, The Most Honorable Elijah Muhammad, The Messenger of Allah.
