

The Woman

By Margary Hassain

THE WOMAN IN ISLAM, the Black Woman of America, in her process of being reformed, re-educated and civilized, by THE HONORABLE ELIJAH MUHAMMAD, in her MGT & GCC CLASS, is taught righteousness and virtue from her inside to her outside. This is the Wisdom of Allah (God).

IT IS the Divine Mission, of Messenger Muhammad, to teach the Black Man and Woman of America to think, act and be right. Messenger Muhammad, calls and reforms, the Black Woman back to virtue and out of this demoralized America.

BIBLE, Pr. 31:10-31, . . . "Who can find a virtuous woman? for her price is far above rubies. The heart of her husband doth safely trust in her, so that he shall have no need of spoil. She will do good and not evil all the days of her life. She seeketh wool and flax, and worketh willingly with her hands. She is like the merchants' ship; she bringeth her food from afar. She ariseth also while it is yet night, and giveth meat to her household, and a portion to her maidens. She considereth a field, and buyeth it: with the fruit of her hands she planteth a vineyard. She girdeth her loins with strength, and strengtheneth her arms. She perceiveth that her merchandise is good; her candle goeth not out by night. She layeth her hands to the spindle, and her hands hold the distaff. She stretcheth out her hand to the poor; yea, she reacheth forth her hands to the needy. She is not afraid of the snow for her household: for all her household are clothed with scarlet. She maketh herself coverings of tapestry; her clothing is silk and purple. Her husband is known in the gates, when he sitteth among the elders of the land. She maketh fine linen, and selleth it; and delivereth girdles unto the merchant. Strength and honor are her clothing; and she shall rejoice in time to come. She openeth her mouth with wisdom; and her tongue is the law of kindness. She looketh well to the ways of her household, and eateth not the bread of idleness. Her children arise up, and call her blessed; her husband also, and he praiseth her. Many daughters have done virtuously, but thou excellest them all. Favor is deceitful, and beauty is vain: but a woman that feareth the LORD, she shall be praised. Give her the fruit of her hands; and let her own works praise her in the gates."

THE WOMAN IN ISLAM gives ETERNAL PRAISES to Master Fard Muhammad, for the Divine Mission and the Divine Messenger Muhammad!

The laws and teachings of Moses and the Messenger of Allah, the Honorable Elijah Muhammad, come to us as one and the same. (Surah 5:48) . . . "For every one of you We appointed a law and a way."

NOT ONLY ARE we to follow new instructions and a new way but it is to be distinguished both from the way of the Caucasian of the Western World and from the way of the people now habitating our Original Eastern Habitat of Saudi Arabia, the Middle and Near East. We are able to study part of this controversy in the Holy Quran concerning the change of the Qiblah, the direction of Divine Adoration.

We are further able to see this clear distinction to be made by the reading of the 18th Chapter of Leviticus: 2-5 — "And the Lord said to Moses, "Say to the people of Israel, I am the Lord your God. You shall not do as they do in the land of Egypt, where you dwelt, and you shall not do as they do in the land of Canaan to which I am bringing you. You shall not walk in their statutes. You shall do my ordinances and keep my statutes and walk in them. I am the Lord your God."

The Holy Quran also gives us hint of this when it speaks of the Messenger as not being held under obligation to this city, for he is set apart to drive a stake into the soil of new birth. He is the one to rebuild as Abraham and his son were so instructed in the past.

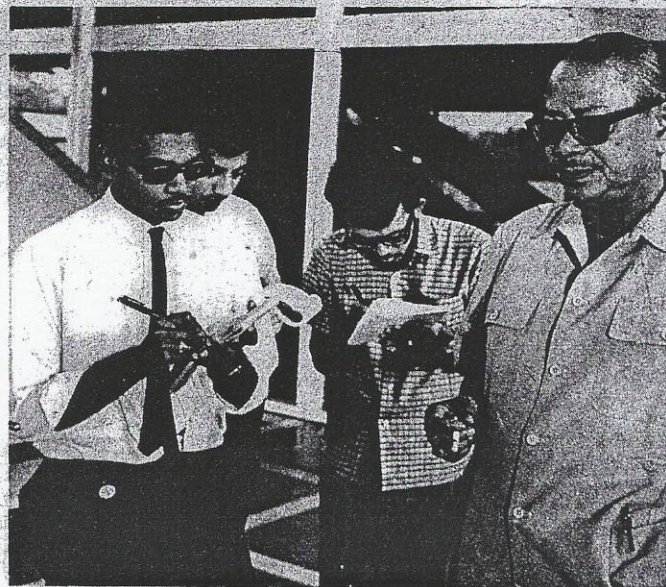

The Book of Leviticus enumerates the laws to be followed and sets up the example of the evils and abominations committed by the people before whom they were separated; to the abomination of committing incest with near-of-kin, conjugal relations between fathers and daughters, sons and daughters; of the woman in discharge and menstrual uncleanness, of the woman lying with a beast to defile herself in such perversion, of male and female clinging to their own genders in unnatural sexual acts.

THEN COMES the warning to the people who are the so-called American Negroes harkening to the message of the last Herald of truth and justice—"Do not defile yourselves by any of these things, for by all these the nations I am casting out before you defiled themselves; (for all of these abominations the men of the boys did, who were before you, so that the land became defiled); lest the land vomit you out, when you defile it, as it vomited out the nation that was before you." (Leviticus 18:24-25)
