

The Woman in Islam

By Margary Hassain

ALL Praises are due to Allah (God) Master Fard Muhammad. We forever thank Allah (God) for giving us His Messenger Muhammad who teaches THE WOMAN IN ISLAM to act upon the principles of Wisdom so that she may take her place at the top of the civilized Nations of Earth.

MESSENGER MUHAMMAD teaches us and we wholeheartedly bear witness, that the people of Christianity are great talkers. Idle chatter is their main stock in trade. We can see the Black Preachers and Black politicians and Black citizens engaged in talk which has no meaning but is done with practiced eloquence taught to them by the devil.

MESSENGER MUHAMMAD teaches us that the Muslim is a doer and not an idle conversationalist. Everywhere that you look you can see the results of the work of Messenger Muhammad who is leading the Muslims into the Islamic way of doing and out of the way of Christianity and its foolishness, idleness and waste.

MESSENGER MUHAMMAD teaches the WOMAN IN ISLAM to stay in her own home and care for her husband, herself, her children and her home. Staying in ones own home, keeps the peace. When the woman is allowed to constantly visit from house to house she is an idler and a trouble-maker. She is a talebearer bringing in news and taking out the news. In her heart she hates her neighbor. She is the enemy whom the Messenger warns us to beware of. She and the members of the house who encourages her in her idle ways are disobeying the commandment of God and they suffer the consequences. The Bible verifies the teachings of Messenger Muhammad. The Bible teaches us, "Thou shalt not go up and down as a talebearer among thy people; neither shalt thou stand against the blood of thy neighbour: ... Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbor, and not suffer sin upon him. ... Study to be quiet and do your own business, and to work with your own hands."

THE WOMAN IN ISLAM is busy every moment working, studying and learning the Wisdom of Allah (God) from the mouth of His Messenger. She knows that no matter what the false outward show put on by a person, her acts reveal

her to be of high or of low character.

The world is looking to THE WOMAN IN ISLAM to be an example of the highest intelligence in word and deed, for her character building is based upon the Wisdom of Allah (God) and taught to her by the Master Teacher, Messenger Muhammad.

ALL PRAISES ARE DUE TO ALLAH (God) for His Divine Messenger Muhammad and the Divine Message.

Marriage

By Sister Ivylyn X

Being a Muslim is truly marvelous. And, sisters, we must submit to our husbands, for it is our role. It is really beautiful, sister. Your life is a reward, when you submit to your husband. Marriage like impassioned music has it's moments of crescendo... a clash of cymbals! As-Sa-laam-Alaikum. Happiness abounds when you submit to your husband!

A MUSLIM marriage is everything wonderful—unity and harmony, love and patience. But the many blessings of married life in Islam can only be found in our getting a better understanding of our role. So, if you will only try to make him happy, he will always make happy.

We, as wives, should serve as a source of inspiration to our husbands; never allowing ourselves to hinder him in any way. Even though you are his wife-secretary, confidante, Girl-Friday, Chief cook 'n' bottle washer, there is no sacrifice that you can't make to please him. You might often have to bend over backwards, but in the end, it'll be worth it.

If you give him his due, both respecting and honoring him, you will be as one; cherished. Why you'll feel "like a Queen"! And who wouldn't want to feel like one?

A strong man can do anything he wants to do, if a good woman helps him to do it. When We work together and get to know each other better, with the help of Allah (God), we can accomplish what We will.

Therefore, it is truly a joy to be married in Islam. After all, the Honorable Elijah Muhammad has given us something very special—The best of the Tree of Life—The Fruit of Islam.

Letters Nation of Islam

DEAR HONORABLE MUHAMMAD:

After reading the 1969 Progress Report carried in the last three editions of MUHAMMAD SPEAKS newspaper (issues of Nov. 7, 14 and 21), I was impressed beyond expression. Equally, the proposed projects for 1970, and the future, are of such magnitude as to stagger the imagination when viewed against the uphill struggle of the Nation of Islam.

BEING AN avid student of Black history, I cannot help but compare the meteoric rise of the Nation of Islam with the

Applauds Ne

DEAR EDITOR:

We are being blessed each week to receive our beloved paper, MUHAMMAD SPEAKS. We wish to thank you, our brothers and sisters for your fine works in the name of Allah. Who came in the person of Master Fard Muhammad, to Whom praise is due forever.

THE MESSENGER of Allah

Messenger For Having The Only to Assist Blacks In Prisons

he has made Islam clear and brought us out of confusion. The Brotherhood herein has grown so that there is hardly standing room during services.

Before Accepting my own, I was in a very bad condition. My mind was always in a state of confusion. I was unable to think, was smoking two and a half packs of cigarettes daily, was a savage, swine lover, nasty and stinking like Lazarus in the Bible. Nor did I have any love for self and kind. I constantly mistreated self and everyone else who was close to me.

ISLAM HAS cleaned me up. The Honorable Elijah Muhammad has performed another miracle. It was through the messages that he brought to me that I received the strength to do the things that I never thought I would be able to do.

Only in the Nation of Islam will Black people be elevated

to a place of honor and dignity. Only in Islam can Black people find true love and brotherhood.

Islam instills in one the desire to help his brothers and sisters. He wants for his brothers and sisters what he wants for himself.

THE MESSENGER of Allah has opened our eyes, unstopped our ears, awakened our minds. Islam makes one see that the whites are nothing but a race of devils.

Islam has brought me out of the darkness into the light, for the first time in my 28 years of life. I know who I am, who God is, and who the devil is.

I am no longer a savage, because I am being civilized by the Most Honorable Elijah Muhammad. He is the only leader who is doing something for the Black people. He is the only one who has a program in operation inside the prisons for the Black man.
